

## Mohamad Ali Elharake, MD, MBA, FCCP, FACP

Clinical Assistant Professor of Medicine specializing in Sleep, Pulmonary and Critical Care Medicine

LAU Medical Center – Rizk Hospital

mohamadali.elharakeh@laumcrh.com

Dr. Mohamad Ali Elharake, is a Clinical Assistant Professor of Medicine specializing in Sleep, Pulmonary, and Critical Care Medicine at LAU Medical Center–Rizk Hospital. With over two decades of clinical, academic, and leadership experience, he combines expertise in patient care with a strong commitment to medical education, research, and healthcare management.

Dr. Elharake earned his Doctor of Medicine from the Lebanese University before moving to the United States to complete his residency in Internal Medicine at Staten Island University Hospital (SIUH), where he later served as Chief Medical Resident. He went on to pursue fellowship training in Pulmonary, Sleep, and Critical Care Medicine at SUNY Downstate Medical Center in Brooklyn, New York.

Board-certified in Internal Medicine, Pulmonary Disease, Critical Care Medicine, Sleep Medicine, and Healthcare Quality and Management, he is licensed to practice in Lebanon, Arizona, and California. Throughout his career, Dr. Elharake has held several leadership positions, including Medical Director of Respiratory Care at Yavapai Regional Medical Center (2012–2022) and Facility & Medical Director at EZ Sleep Lab (2013–2024). His long-standing association with Yavapai Regional Medical Center began in 2008, where he was repeatedly recognized with TEAM Awards for his collaborative excellence. He has also served as a teaching practitioner at Midwestern University's Arizona College of Osteopathic Medicine, highlighting his dedication to training the next generation of physicians.

In addition to his clinical work, Dr. Elharake is deeply engaged in academic and professional development. He has contributed as organizer and scientific committee member for the Lebanese University Medical Graduates Conference and continues to publish and present research at both national and international forums. His work has been recognized with multiple research awards, including honors from the American College of Chest Physicians and the Academy of Medicine of Richmond County.

Dr. Elharake also holds an MBA in Healthcare Management, a Chief Medical Officer Certificate from the University of Tennessee's Haslam College of Business, and a certificate in Artificial Intelligence for Business Strategy from MIT Sloan School of Management. These qualifications underscore his commitment to advancing healthcare innovation, leadership, and quality improvement.

Dr. Elharake is a fellow of the American College of Chest Physicians and the American College of Physicians, and an active member of the American Academy of Sleep Medicine and the Lebanese Order of Physicians. Dr. Elharake remains at the forefront of his field. His clinical interests include the management of patients with complex sleep disorders, pulmonary diseases, and critical conditions.
