berthamaria.nassani@laumcrh.com

Dr. Bertha Maria Nassani is a specialist in Internal Medicine and Clinical Immunology, with a strong focus on autoimmune diseases and allergies. She completed her medical education at Saint Joseph University in Beirut and pursued advanced clinical training in both Lebanon and France, including a fellowship at the prestigious Hôpital Pitié-Salpêtrière in Paris.

Dr. Nassani holds multiple university diplomas in systemic autoimmune diseases, targeted biotherapies, and allergy diagnostics from leading French institutions, including Sorbonne Université and Université Paris-Saclay.

She also holds a Master of Public Health with a concentration in biomedical research and statistics from Université Paris-Saclay.

Dr. Nassani's academic work covers a broad range of immune-mediated and inflammatory conditions.

She has authored multiple publications in peer-reviewed journals and has presented posters at international congresses, including EULAR, AAAAI, and the French National Society of Internal Medicine.
